A Guide to Make Shopping for Connected
Gifts Safer, Easier, and Way More Fun

T **HE HOLIDAYS**, it's the most wonderful time of the year. Unless you buy a gift that spies on your kid or gets your friend hacked. Wish lists this year will have more connected devices than ever. How do you know if that gift comes with privacy included? We did the research to help you decide. Because Santa should be the only one watching you this holiday season.
